What did the ABH told your husband on 25th of August 2015? How long your husband is living in Germany? How much he is earning?

“ For now he had gone for three months ”

- What did the ABH told your husband on 25th of August 2015?
- How much he is earning?
- Does he have a proper apartment, big enough for two people?

Until and unless he finds an apartment, you wont get your visa. Also you are his wife, feel free to ask him how much he earns!
